Based on inputs from over 3500 Brothers earlier this year, the *Masons of California 2010-2015 Strategic Plan* has now been completed. It was provided to all California Masters, Wardens and Secretaries in a letter from the Grand Master last November, with his encouragement for those officers to ensure that their Lodge members understand the Plan and their role in it.

Then, to make this Plan work and be successful, our Grand Master further asks that every Lodge create (or update) its own *Strategic Plan*, using the Masons of California Plan as a template. A “Step-By-Step” guide is provided for creating the Lodge Plan, in the current (December) *The Leader* publication.

In the months ahead, several Grand Lodge Committees and entities will be providing further resources and programs to help implement the Strategic Plan. Announcements will be made as they become available.
