Year End Reports, Election of 2012 Bureau Officers, & Introduction of New Masters

This is our Annual Meeting of the Bureau. Reports on its activities for 2011 will be presented.

All newly-appointed 2012 Lodge Representatives are particularly encouraged to attend and select our new Executive Committee.

Special recognition of the 2012 Lodge Masters is also planned. Pictures will be taken. Come and meet them, and give them a good send-off for their year!

A SPECIAL HIRAM!

Santa Monica-Palisades Lodge 307 will be honoring **M/W R. Stephen Doan** on January 11 with its Hiram Award, at a formal dinner and program. 6:30 P.M. Contact 310-962-9001 for reservations.

At our November Service Bureau Meeting, a most enlightening view of the new approach to *Masonic Assistance* being taken by our California fraternity was presented to the attendees by **Ms. Steffani Kizziar**, the Vice-President and Director of the Masonic Homes Outreach Program and its newly-implemented Masonic Center for Youth and Families. The "New Vision" is to develop ways to expand care to all Masons and their families, rather than only to Seniors and Children.

In recent discussions with many Brethren, major concerns were found to be in the areas of increased health care costs, unique health issues (e.g., dementia), and receiving assistance in the home. This has led to our Homes now looking at new initiatives to develop significant advancements in care giving, particularly in these areas: dementia care, care at home, Lodge outreach, and youth and family service.

Our Masonic Homes intends to be a key leader in developing innovative care and research for relief inside and outside the fraternity. We can all count on seeing new approaches in Masonic relief as these initiatives are developed.
