Don't be late!

We are always very pleased to have our Deputy Grand Master of Masons in California with us for a talk at our second meeting of the year. A full Breakfast is provided and served by the Midnight Mission staff that morning, to show their thanks for our support over the years. It is at no cost to those attending.

We especially ask all Senior Wardens to attend this meeting, to introduce yourself to the future Grand Master for your year, and to have your picture taken with him. Ladies are also welcome at this meeting.

ANNOUNCEMENTS

Check the special Flyer with this Bulletin and attend the talk being given by RW Russ Charvonia, our Senior Grand Warden, at Glendale Lodge #368 on Tuesday, March 19th.

You should not miss the unique play, "The Spirit of Hiram", being presented by the Pasadena Scottish Rite at 8 PM on Friday, March 29th (Master Masons only). It relates to the tragedy that occurred at the building of King Solomon's Temple. For event details, call 626-795-4213.

INTACCT

Last year, our Grand Lodge started developing an accounting and reporting program for use by Lodges and Hall Associations, called "INTACCT". It will take a major load off the backs of the Secretaries and Treasurers in recording and submitting tax and financial data packages for the Government and our Grand Lodge. It is now been tested by more than 50 Lodges and is ready to be implemented in 2013.

You may now enroll in and learn to use Intacct through our Grand Lodge Web Site. A sign-up form is available and (8) pre-recorded training videos are accessible in the "Resources and Publications" section of the secure Web Site. Training sessions (Webinar or one-on-one training with a team member) will be available, and state-wide training events are being planned.

There is a small monthly cost involved, but the benefits to the Lodge and Building organizations and the avoidance of errors and possible non-compliance with regulations appears to be well worth the extra expense.

The Grand Lodge Intacct Team is available by phone at 415-292-9170 if you wish to explore this program further. If you proceed with this system, you will also find more continuing support via an interactive "University", support on evenings and weekends, and quarterly live Webinars starting in March.

For your Lodge's benefit, check it out!

REMINDER

The "Calendar" on our Bureau Web Site is there for use by your Lodges.

Please make it a regular practice to send your announcements to us monthly, and for increased participation, encourage your District Lodges to do so also!
