SENIOR WARDENS GREET DEPUTY GRAND MASTER

Along with enjoying a delicious Breakfast provided by the staff of the Midnight Mission (an annual "thank-you" from them for our constant support over the years), the Senior Wardens of Lodges in our Los Angeles area had the opportunity to visit with our Deputy Grand Master, **R.W. Russ Charvonia**, at the February Bureau Meeting. These future heads of 16 Lodges were photographed above with our distinguished guest (first row, fourth from left), during his inspiring talk on Masonry's potential to lead society back to civility in an increasingly uncivil world!

INVESTMENT GUIDELINES

If your Lodge is fortunate enough to have some financial investments, you definitely want to manage these funds prudently and effectively. The CMC is certainly the key directive in managing your assets wisely.

The Grand Lodge Web Site has now added further assistance to your Investment Board of Trustees by also offering a special free on-line guideline to assist in making proper investment decisions and portfolio management.

Log onto the Member Center on www.freemason.org and find the Lodge Investment Program selection under **Reports and Features**, for guidance.
