THE 150TH GRAND MASTER OF MASONS IN CALIFORNIA

■ ■ ■ ■

We congratulate and offer our best wishes to our new Grand Master, Most Worshipful M. David Perry, for a notable year ahead!

Important Need for Used Mobile Devices

Our Masonic Homes of California is now embarking on an important new improved memory care program for its residents, that will materially improve the quality of life and cognitive care for those living with memory loss. Their use of iPads and music devices such as iPods and MP3 Players has been found to revitalize the mind and, with music, stimulate memories and participation. The Homes is asking for donations of these mobile devices to assist in such memory care and support. They will be provided to lower-income residents who cannot afford such a device. Contact the Homes at jpritchard@mhcuc.org if you can help.
