Ionic-Composite Has Gone Digital!

Thinking "outside the box" has become a way of life for Ionic Composite Lodge 520 in Los Angeles, in their use of digital methods of Lodge operation, for the benefit of all their members. They now have gone way beyond the use of the *Lodge App*, *Facebook* and *Twitter* to foster better communication, and have now begun to *Live Stream* the public portion of the Stated Meetings (as an on-line video broadcast), including a *Live Chat* with a brother at the same time. And they have just started a method of candidate education in the form of virtual reality (VR), to help the Brother really feel a part of what he's learning. Their membership is really enthusiastic and pushing for more! Go to it, guys!

THE 151ST GRAND MASTER OF MASONS IN CALIFORNIA

■ ■ ■ ■

We congratulate and offer our best wishes to our new Grand Master, Most Worshipful John R. Heisner, for an outstanding year ahead!

New Scholarships for Masonic Youth Leaders

Our *California Masonic Foundation* has taken an important step in recognizing the importance of encouraging leadership in the members of our Masonic Youth Orders, by establishing a new Masonic Youth Leadership Scholarship to honor and financially assist those hardworking youth leaders. The scholarships look to offering college education support for those well-deserving Masonic youth that might be otherwise limited.

In launching this new Scholarship Program, awards worth \$3,000 each were presented to 24 of our youth leaders at the Grand Lodge this year.

Congrats to our Newest L.A. Lodge Instituted Sept. 30th
