"A Listing of Care-Related Service Providers"

Compiled by our California Masonic Outreach Services, a guide has now been developed to help our seniors find trusted caregivers and services in our communities, in California and beyond. It specifically identifies and recommends fully-researched services and providers in the areas of In-Home Care and Retirement & Nursing Home Communities, including memory care and hospice facilities. This service is offered to point you easily toward the best providers for such assistance.

Get the latest List by accessing our Masonic Homes website or contact their Assistance Staff at (888) 466-3642.
