MEMORIAL DAY

***Safeguard Data* Preserve the Past for Your Lodge**

Your Lodge has a living story that is not only of interest to your past, present and future members, but is meant to be shared! It tells the world who you are and why you are proud to be part of Masonry in California. To do this, your documents and other written/printed items of interest must be preserved.

California Masons finally have access to an easy-to-use digital document storage system, "The Vault", and a recommended arrangement with the **Iron Mountain** firm, who can scan and preserve a Lodge's valuable historical memorabilia for retention.

Don't let it become overwhelming to retain records, photos and files around your Lodge building! Start to organize now! Your Masonic records are valuable.
