MEMORIAL DAY

Masons Foster Restoration of Civility in Society

At the Conference of Grand Masters of North America in 2014, our MW Russ Charvonja began a talk to the attendees with the words, "I believe we have a problem in today's society; that the world about us is becoming increasingly uncivil."

This theme has developed into an important partnership between a new Freemason Civility Task Force and the National Civility Center, to promote an increase in civil behavior both within the Fraternity and in our communities. The month of May, therefore, has been proclaimed "**Champion Civility Month**" by our Grand Master, and all Lodges are asked to utilize the ideas in the *Civility Toolkit* to cultivate and nurture a more civil behavior in our fellow men.
