Review of the 2018 Grand Lodge Legislation

Once again, our Bureau invites you to the above-noted annual analysis of the current legislation being presented at our Grand Lodge Sessions in October. This should help you Lodges to be prepared to discuss these new Resolutions, along with the Carryovers, and any Grand Master's Decisions and/or Recommendations, at your October Stated Meeting, before your officers travel and vote in San Francisco. All Lodge Brethren will benefit from the synopsis and explanation of the legislation to be given by Most Worshipful Steve. NOTE: Although voting at Grand Lodge is limited to Master Masons only, this Bureau meeting may be attended by EA's and FC's as well, so as to be aware of the issues involved.

NO LADIES AT THIS MEETING!

WE THE PEOPLE OF THE UNITED STATES . . .

As September has been our traditional “U.S. Constitution Observance Month”, it is appropriate that each California Lodge recognize and celebrate in some way during this month the importance of this foundation of our democratic government and the freedoms that we enjoy.

A Rare Treat for A Masonic Brother!

.....

A fascinating Masonic treasure that each of you should visit when you are up in San Francisco is the repository of memorabilia and history of our California fraternity found in the magnificent Henry W. Coil Museum and Library on the second floor of our Grand Lodge Memorial Temple on California Street!

It was founded in 1996 and dedicated to preserving and sharing our Masonic heritage. Its collections and archives cover centuries of worldwide Masonic history as well as more than 150 years of Freemasonry in California.

In the Museum section, you will find many items relating to Masonry around the world, but with particular focus on the Masonic influence in the development of California as a state. The over-2000 volume Library collection relates to all aspects of Freemasonry, including early rituals and bibles. And also, California Masons can borrow certain of the books!

Be sure to drop by while at Grand Lodge.
