As always, the California Masonic Foundation is proud to partner with the charitable foundation of the Los Angeles Dodgers.

By donating to Masons4Mitts, you ensure that underserved young people are provided with a custom-made leather baseball mitt and able to play the game and learn important life lessons.

With a focus on expanding the range of skills and services it brings to young people to include health, nutrition, wellness, and social justice, Masons4Mitts is growing to incorporate so much more than the game.

Support young people in our community today by donating a mitt today—and help your team win statewide bragging rights and by attending the game.
